

Mid-Atlantic States
Prestressed Concrete Committee for Economic Fabrication

Table of Contents

Introduction

General Provisions (Series 100)

- Use of High Performance Concrete
- Corrosion Protection for Piles, Beams and Slabs

Quality Control/Quality Assurance & Materials (200 Series)

- Specification Guidelines for P/S Concrete Bridge Products
- Quality Control Plan for P/S Concrete Plants
- SCC Materials and Testing Matrix

Construction & Production (300 Series)

Standardization (400 Series)

- Bulb-T Shapes and Parametric Studies
- Steel Diaphragm Details

Design Parameters (500 Series)
